

CURRICULUM VITAE

FORMATO EUROPEO/EUROPEAN
FORMAT

Informazioni personali/ Personal information

Nome, Cognome/Name, Surname	Francesca Bagnoli
Indirizzo/Address	
Via, numero civico, c.a.p., città, nazione/ House number, street name, postcode, city, country	
Telefono/Telephone	+39 055 5225721
E-mail	francesca.bagnoli@ibbr.cnr.it
Sito web/Website	www.ibbr.cnr.it
Nazionalità/Nationality	Italiana/Italian
Luogo e data di nascita/ Place and Date of birth	

Esperienza professionale /Work experience

In ordine di data/Dates (from- to)	From October 1, 2014 to today
• Nome e indirizzo del datore di lavoro/ Name and address of employer	Institute of Biosciences and Bioresources - CNR via Madonna del Piano 10, 50019, Sesto Fiorentino (FI)
• Tipo di azienda o settore/ Type of business or sector	Public research institution
• Funzione o posto occupato / Occupation or position held	Researcher, 3rd level
• Principali mansioni e responsabilità/ Main activities and responsibilities	forest genetics; Research activity in the field of the conservation of forest tree genetic resources, and of the tree population genetics. The research focus on the development and application of molecular markers for assessing genetic variation in forest tree populations, and on the study of genetics of forest woody species through the application of the main methods of Bayesian statistics.

In ordine di data/Dates (from-
to)

From November 2, 2011 to September 30, 2014

- Principali mansioni e responsabilità/ Main activities and responsibilities

In ordine di data/Dates (from-to)

- Nome e indirizzo del datore di lavoro/ Name and address of employer
 - Tipo di azienda o settore/ Type of business or sector
- Funzione o posto occupato / Occupation or position held

- Principali mansioni e responsabilità/ Main activities and responsibilities

Award of CNR Project Agency 2000 - cod. CNRG000AA1 entitled "Abiotic stress defence mechanisms: isolation and molecular characterization of genes coding for enzymes catalase and superoxidizedismutase in Pinus pinea"

1996-1998

Department of Agricultural Biotechnology- University of Florence,
Via Maragliano 77, 50144, Firenze

Academic

Coordinated and continued collaboration

Coordinated and continued collaboration on the project of the European Community PL No. 1496-45 entitled "Development, validation and application of molecular, morphological and physiological markers for juvenile and mature state characterization in woody plant species".

In ordine di data/Dates (from-to)

- Nome e indirizzo del datore di lavoro/ Name and address of employer
 - Tipo di azienda o settore/ Type of business or sector
- Funzione o posto occupato / Occupation or position held

- Principali mansioni e responsabilità/ Main activities and responsibilities

1994-1995

Overseas Agronomic Institute of the Ministry of Foreign Affairs, Via Cocchi, Firenze.

Public Institution

Fellowship

A two year fellowship on "Valuation of south American maize populations for the tolerance to abiotic stress with particular attention to UV radiation".

Istruzione e formazione / Education and training

In ordine di data/Dates (from-to)

2002

- Nome e tipo d'istituto di istruzione o formazione / Name and type of organisation providing education and training
 - Principali materie e competenze professionali apprese / Principal subjects occupational skills covered

University of Florence

Agricultural and Forest Genetics

- Certificato o diploma ottenuto /Title of qualification awarded
- Ph.D. in Agricultural and Forest Genetics at the University of Florence, discussing a thesis about: "Isolation and molecular characterization of genes coding antioxidant enzymes in trees: *Prunus persica* and *Pinus pinea*".

In ordine di data/Dates (from-to)

1992

- Nome e tipo d'istituto di istruzione o formazione / Name and type of organisation providing education and training
 - Principali materie e competenze professionali apprese / Principal subjects occupational skills covered
 - Certificato o diploma ottenuto /Title of qualification awarded
- University of Florence
 Biological Sciences
 Degree in Biological Sciences at the University of Florence

Attivita' di ricerca / Research activities

- Attuali campi di ricerca / Research sectors
 - population genetics of forest trees
 - conservation genetics of forest trees
 - phylogeography of forest tree species
 - identification and characterisation of molecular markers in forest trees (SSRs, SNPs)
 - use of molecular markers in forest genetics and breeding
 - molecular basis of adaptation

Progetti/Projects

- 2021-2025 EU Project H2020 Forgenius "Improving access to FORest GENetic resources Information and services for end-USers". Project leader: Dr. Ivan Scotti, INRAE Avignon (France).
- 2020-2022- Regione Lombardia "ResQ - Dperimento della quercia nei boschi planiziali: studio multidisciplinare per la selezione di risorse genetiche resistenti", Project leader Paola Nola - Univ Pavia
- 2019-2021- ERSAF Lombardia "Assistenza tecnica in ambito forestale per la definizione di criteri e linee guida nella gestione dei querceti lombardi - Progetto LIFE IP Gestire 2020 – Azione A.18 e C.14", Project leader Silvia Assini - Univ Pavia
- 2019-2020- Progetto Bilaterale Italia-Montenegro "Adaptive capacity of *Fagus sylvatica* along altitudinal transects in the Appenine and the Balkans". Project leaders Dott. Giovanni Giuseppe Vendramin – IBBR/CNR, Dr. Jelena Lazarevic – University of Montenegro
Ruolo svolto: analisi dati e campionamento
- 2018- 2021- Progetto "Ambiente 2018" Fondazione con il Sud "L'ultima foresta incantata", Project Leader Remo Bartolomei – Centro Studi Appennino Lucano
- 2018-2022- EU project H2020 B4EST "Adaptive BREEDING for productive, sustainable and resilient FORESTS under climate change". Project leader: Dr. Catherine Bastien - Amélioration, Génétique et Physiologie Forestières (AGPF), Inra, Orleans
- 2017-2018- Bilateral Project Italy/Montenegro "Adaptive responses to drought in *Pinus heldreichii* along altitudinal transects in the Appenines and the Balkans". Project leaders Dott. Giovanni Giuseppe Vendramin – IBBR/CNR, Dr. Jelena Lazarevic – University of Montenegro
Ruolo svolto: analisi dati
- 2016-2020- EU project H2020 GenTree "Optimising the management and sustainable use of forest genetic resources in Europe". Project leader Dr. Bruno Fady – Ecologie des Forêts Méditerranéennes (URFM), Inra, Avignon. (protocollo CNR/IBBR n. 0006139 07/07/2016)
Ruolo svolto: campionamento, analisi dati.

2015-2018- Fondation pour la Recherche sur la Biodiversité-WOODIV “Origin and congruence of taxonomic, phylogenetic, functional and paleoecological diversity patterns: the model of European-Mediterranean woody plant biodiversity”. Project leader Dr. Agathe Leriche - UMA, IMBE Université d’Aix-Marseille (France).

Ruolo svolto: raccolta e analisi dati.

2015-2016- Bilateral Project Italy/Montenegro “Tree fragmented populations from refugial areas: the anfiadriatic connection”. Project leaders Dott. Giovanni Giuseppe Vendramin – IBBR/CNR, Dr. Jelena Lazarevic – University of Montenegro

Ruolo svolto: analisi dati

2013-2016- Regione Sardegna - bando “Invito a presentare progetti di ricerca fondamentale o di base annualità 2012”. Progetto dal titolo “*Tortrix viridana & Quercus: indagini genetiche sull’associazione lepidottero-querce in Sardegna*”. Project leader Giuseppe Serra CNR Istituto per lo studio degli ecosistemi, Sassari (Italy).

Ruolo svolto: attività di laboratorio, analisi dati

2012-2017- EU project 7 FP KBBE Programme: WATBIO “Development of improved perennial non-food biomass and bioproduct crops for water stressed environments”. Project leader Prof. Gail Taylor – University of Southampton (UK).

Ruolo svolto: attività di laboratorio, analisi dati

2011-2013- European Science Foundation project EuroVOL-MOMEVIP “Molecular and metabolic bases of volatile isoprenoid-induced resistance to stresses”. Project leader Dr. Silvia Fineschi – CNR/Istituto per la Protezione delle Piante (Italy).

Ruolo svolto: attività di laboratorio, analisi dati

2010-2011 – PRIN (Ministero dell’università e della Ricerca): “Analisi di SNPs in geni candidati associati alla tolleranza allo stress idrico in popolazioni di conifere mediterranee” U.O. nell’ambito del progetto “Adattamento a cambiamenti climatici in specie forestali mediterranee: un approccio di genomica di popolazioni”. Project leader Prof. Giorgio Binelli – Università dell’Insubria Varese-Como (protocollo 2008HTEJY8). Ruolo svolto: analisi dati

2007-2009- Progetto ‘Monitoraggio dello stato sanitario e della variabilità genetica di popolamenti di sughera situati nelle aree protette (A.N.P.I.L.) comune di San Giuliano Terme (PI). Project leader: Dr. Silvia Fineschi - CNR/Istituto per la Protezione delle Piante (Italy).

Ruolo svolto: raccolta materiale, attività di laboratorio, analisi dati

1997-2000- E.U. Fair 96-1445 “Development, validation and application of molecular, morphological and physiological markers for juvenile and mature state characterization in woody plant species”.

Ruolo svolto: attività laboratorio, analisi dati

1996- Progetto MRAAF “Biotecnologie vegetali” Area 8-Biologia dello sviluppo. Programma: Morfogenesi e differenziamento in specie arboree: approcci molecolari allo studio del “phase change” (cambiamento di fase giovanile/adulta) per la propagazione di genotipi superiori. Project leader Dr. Milvia Luisa Racchi, Istituto di Selvicoltura Università degli Studi di Firenze.

Ruolo svolto: attività di laboratorio, analisi dati
