

## Order Summary

Manuscript NPJQUANTMATS-01161R1

Id:

Article Title: Orbital selective switching of ferromagnetism in an oxide quasi two-dimensional electron gas

Journal: npj Quantum Materials

Corresponding Author: Marco Salluzzo

Author:

## Payment Options

Credit Card  Invoice

When paying through our secure credit card payment system you will still receive an invoice marked as paid for your records. You will also receive a receipt.

## Billing Country

Italy 

If your billing country is not included in this list please contact [apcwaivers@springernature.com](mailto:apcwaivers@springernature.com) with details of your manuscript ID number and country, and you will be advised on how to proceed.

## Tax ID Number

I confirm I hold a valid VAT/GST registration certificate issued by my country's tax authorities, or that I am submitting this article on behalf of my organisation that holds a valid VAT/GST registration, and can provide the VAT/GST registration.

Where you or your Institution holds a VAT/GST ID Number, this number is required to apply reverse charge mechanism so that NO VAT/GST is added onto your invoice. (We recommend you check with your Institution's Finance Department before completing this section). UK customers are not exempt from VAT charge.

By providing us with your VAT/GST ID Number you will also be required to provide your institutional details on the following page.
