CALL FOR EXPRESSION OF INTEREST TO SELECT PUBLIC AND PRIVATE ORGANIZATION TO INTEGRATE THE COMPETENCES OF THE RESEARCH INFRASTRUCTURE ISIS@MACH ITALIA (IMI)

The Italian National Research Council (CNR), with registered office in Rome, Piazzale Aldo Moro 7, as the Proposing Entity of the project "ISIS @ MACH ITALIA RESEARCH INFRASTRUCTURE (IM @ IT)", part of the Public Notice of MUR n. 3264 28-12-2021, Avviso pubblico per la presentazione di proposte progettuali per “Rafforzamento e creazione di Infrastrutture di Ricerca” da finanziare nell’ambito del PNRR (MUR Notice n.3264 of 28.12.2021 - hereinafter MUR IR Notice), intervention line i.,

given that the "ISIS @ MACH ITALIA (IM @ IT) RESEARCH INFRASTRUCTURE" project is an initiative proposed with the University of Florence (UNIFI), University of Milano Bicocca (UNIMIB), University of Tor Vergata in Rome (UNITOV), as co-proponents,

with this Call for Expression of Interest (hereinafter CEI)

INTENDS TO SELECT

public and / or private organizations in order to integrate the competences of the proposers, according to the criteria specified below.

Preamble

The CNR, within the MUR IR Notice, as lead partner of the ISIS @ MACH ITALIA research infrastructure, intends to submit the application for the intervention "i. enhancement of IR ". In particular, the project

is aimed at strengthening and renovating / modernizing infrastructures and research laboratories, at creating and developing research programs and activities, as well as at favouring the development of entrepreneurial initiatives with a higher technological content. (innovative start-ups and research spin-offs), also through the training and the valorisation of research results, with specific reference to the transition "from research to business".

Art. 1 Objectives

For the purposes above, the goal is to identify highly qualified organizations potentially able to integrate the skills and expertise already in place in the project proposing partnership.

Art. 2 IM@IT areas of interest

A fundamental requirement is that the organizations have high competence in one or more of the following areas:
● organization and coordination of training activities for companies, researchers and / or professionals, either in presence or virtual; prestigious premises and existing equipment for training are requested;

● high-level training activities in museums and research structures on the field of restoration and conservation of cultural heritage;

● training and research & development activities, mainly aimed at the following sectors: nutraceutical, pharmaceutical, cosmetic, health, health care, agri-food, formulations, energy, green engineering, electronics, aerospace, aeronautics, climatology, environment, sustainability;

● training and research & development activities in the field of characterization of complex materials;

● high-level training activities on transversal issues, such as management of complex systems, cyber security and research communication;

● communication, understood as dissemination and cross-fertilization, and spin-in and spin-off activities to build and strengthen the synergy between research and corporate, with particular focus on SMEs and start-ups.

Art. 3 Evaluation criteria
The selection will be based on the expertise in the areas of interest of IM@IT listed in Article 2.

Art. 4 Proposal submission
Interested organizations must submit their expression of interest in participating in the project no later than 23.02.2022, by sending

- Istanza-di-partecipazione (Allegato 2),
- Expertise (Allegato 3).

to the e-mail address direzione.generale@cnr.it

Art. 5 Personal data processing
All personal data that this Administration will collect during this proceeding will be treated in compliance with the Legislative Decree of 30 June 2003 n.196 (Code regarding the protection of personal data), in the form amended by the legislative decree 10 August 2018 , no. 101, as well in compliance with the provisions of Regulation (EU) 2016/679 and the provisions contained in Article 22 of Regulation (EU) 2021/241 and will not be disclosed to third parties and may be communicated or made accessible, exclusively for the purposes illustrated in this proceeding and under the conditions established by law, as reported in detail in the enclosed information (Annex 4) provided pursuant to art. 13 of Regulation (EU) no. 2016/679 - GDPR.
