WITH REGARD TO the Art. 22 of the Law no. 240, December 30, 2010, entered into force on January 29, 2011;

CONSIDERED Article 14, paragraph 6 septies, of Decree-Law No. 36 of 30 April 2022, converted into Law No. 79 of 29 June 2022, which introduced, among others, research contracts to replace the research grants referred to in Article 22 above;

CONSIDERED that the aforementioned Article 14 of Law no. 79 of 29 June 2022, at paragraph 6-quaterdecies, lays down transitional provisions for the abolition of graduate fellowships and the full introduction of research contracts, providing, in particular, that for the 180 days following the date of entry into force of the law, i.e. until the end of December 2022, limited to the resources already planned or decided by their respective governing bodies, universities, institutions whose postgraduate scientific degree is recognised as equivalent to the title of research doctorate and public research bodies may still call for procedures for the award of graduate fellowships ;

CONSIDERED that Decree-Law No. 198 of 29 December 2022, "Urgent provisions regarding legislative deadlines", in force from 30 December 2022, in paragraph 1 of Article 6, entitled "Extension of terms in the field of universities and research", provided for the amendment of Article 14 of Law No. 79, paragraph 6-quaterdecies of 29 June 2022, establishing that until 31 December 2023 limited to the resources already planned, or decided by their respective governing bodies by the aforementioned deadline, the universities institutions and public research bodies may still call for procedures for the award of graduate fellowships pursuant to Article 22 of Law No. 240 of 30 December 2010;

WITH REGARD TO the guidelines for the assignment of grants for conducting research activities at CNR, approved by the Board of Directors with order no. 28 on February 9, 2011, subsequently amended by resolutions no. 62, March 23, 2011, and no. 186, September 22, 2011, and no. 189 November 27, 2013;

WITH REGARD TO the Ministerial Decree no. 102, March 9, 2011, concerning the definition of the minimum amount of graduate fellowships;

WITH REGARD TO the Law no. 183, November 11, 2011, and in particular the Art. 15 (*Stability Act 2012*);

WITH REGARD TO the directive of the Ministry of Public Administration and Simplification no. 14/2011 about the implementation of the new provisions relating to certificates and affidavits of the Art. no. 15 of the Law no. 183, November 12, 2011;

WITH REGARD TO the Law no. 35, April 4th, 2012 and in particular the Art. 8, clause 1;

WITH REGARD TO Legislative Decree no. 33, March 14th, 2013 about “*Reorganization of the regulations about obligations to advertisement, transparency and diffusion of information by public administrations*”;

HAVING CONSIDERED the National Recovery and Resilience Plan (hereinafter "PNRR"), officially submitted to the European Commission on 30 April 2021 pursuant to Article 18 of Regulation (EU) No. 2021/241 and approved by ECOFIN Council Decision of 13 July 2021 and notified to Italy by the General Secretariat of the Council by note LT161/21 of 14 July 2021;

HAVING REGARD TO the Operational Arrangements (OA) relating to Italy's PNRR, which set out the periodic verification mechanisms (valid until 2026) relating to the achievement of the goals and objectives (Milestones and Targets) necessary for the recognition of the six-monthly reimbursement instalments of PNRR resources in favour of Italy, entered into on 28 December 2021;

HAVING CONSIDERED the transversal principles set out in the PNRR, such as, inter alia, the principle of contribution to the climate and digital objective, the principle of gender equality and the obligation to valorise young people;

HAVING CONSIDERED the obligations to ensure the achievement of targets and milestones and the financial objectives set out in the PNRR;

ACKNOWLEDGING that the costs arising from the award of the research grant are covered by the funds available from the research programmes mentioned above, measure no. 121537 dated 11/04/2024 (2024-CNR0A00-0121537), Impegno n. 9210000106 (Provvedimento d'impegno prot. n. 129047 del 17/04/2024)

NOTICE IS HEREBY GIVEN to the Director of the Department of the activation of the above-mentioned notice;

ANNOUNCES

Art. 1 - Research Project

There will be a public selection, based on qualifications and an interview, for the assignment of no. **1 (one) cat. A Graduate Fellowship (Assegno di Ricerca)** to carry out research activities at the Institute for Complex Systems in the framework of the Project Analytical and dynamic study of neuronal networks with plasticity, under the supervision of Dr. Simona Olmi.

Object of the research activity: In Silico Medicine: in silico trials of plastic rewiring in brain

circuits for stroke recovery

Art. 2 - Duration and amount of the Research Grant

The research grant will last for **12** months. The overall duration of the relationships established by the grantee with the CNR, plus any contract of temporary employment (as specified in the Art. 24 of Italian Law 240/2010) with different universities (public, private or online ones) as well as with other Public Entities (as described in art. 22, paragraph 1, of the Italian Law 240/2010), must not exceed 6 years, even non-continuous, with the exception of periods spent on maternity leave or sick leave according to current legislation, and periods completed before the came into force of Italian Law 240/2010. Any deferment of the beginning of the research activity or any suspension thereof, will be allowed in case of maternity leave or sick leave if exceeding thirty days. Any interruption of the research activity justified under the afore mentioned conditions will entail the suspension of the salary for the period. The end date of the research grant will be extended by a period equal to the duration of the suspension.

The amount of the research grant, remitted monthly in deferred payments, is set at **Euros 26.000,00** for 12 months. This does not include any reimbursement for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The reimbursement for travels is determined as that of employees engaged at the CNR at III professional level. The grantee is covered by a cumulative insurance policy undersigned by CNR. The selected candidate will carry out her/his research activity in an autonomous manner, within the limits of the program prepared by the head of the research unit, without predetermined working hours.

Art. 3 - Requirements for admission to the selection

Individuals of any nationality or age may apply to the selection if they are in possession of the following requirements at the deadline date for application submission:

- a) Possession of a Master degree in Physics, Mathematics, Engineering, as defined by D.M. 509/99 and D.M May 5, 2004, or an equivalent foreign qualification. All qualifications obtained abroad, such as master degree, shall be previously recognized in Italy in accordance with current legislation (information on the website: <http://www.cimea.it/>). The equivalence of those diplomas that have not already been recognized in Italy with the aforementioned procedure, will be evaluated, only in the purpose of the present selection, by the Examining Committee constituted according to art. 6 of this announcement. The candidate should present the list of courses followed during bachelor and master degree.
- b) Possession of a PhD title in Physics, Mathematics, Engineering. The PhD must have lasted at least three years. At least 2 years of professional scientific experience documented ALSO by scientific publications in the research area of the call.
- c) Certification, or self-certification- of the level of knowledge of English language.

- Knowledge of the Italian language (only for foreign candidates)
- d) Declaration of not having benefited from CNR research grants, also taking into account any renewals, for a total duration of more than 5 years, even if not continuous
 - e) Declaration of not having used the types of employment relationships referred to in Article 2 of the application notice for a total duration of more than 11 years, even if not continuous, without prejudice to periods spent on maternity leave or leave for health reasons in accordance with the regulations in force as well as periods carried out prior to the entry into force of Law 240/2010.

The research grant cannot cumulate with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions which serve to supplement the research activities of grantees with visiting periods abroad. The holders of research grants may attend PhD courses that do not result in payment of scholarships.

Employees of the CNR with permanent or fixed term contract and permanent staff employed by other parties as indicated in the Art. 22, paragraph 1, of the Law no. 240/2010 cannot apply, and the contractor/employee employed by government application will result in the placement on leave without pay.

With regards to the Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in the undergraduate or master degree, PhD with scholarship or medical specialization schools, in Italy or abroad.

Art. 4 - Applications and deadlines

Applications consist of:

- Application form (annex A)

The deadline for the submission of the application is 24/05/2024 (applications must be received by 20/05/2024).

Applications submitted after the deadline and incomplete applications will not be taken into account. All the communication regarding this call will be sent to the email address of the candidates, CNR does not assume any liability for possible malfunctioning of web connections.

Applicants with disabilities must explicitly request the necessary support in relation to their disability in the application.

Art. 5 - Exclusion from the Selection

The Director of the Institute can exclude an applicant from the selection process at any time for well-motivated reasons, such as lack of requirements. The exclusion will be communicated to the applicant by email.

Art. 6 - Examining Committee

The Examining Committee shall be appointed by the Director of the Institute and is composed of three people, researchers and experts in the field, who may be internal or external to CNR.

One member of the Examining Committee will be the project supervisor. Two replacement members will be also appointed. The Director may appoint a university professor in the Examining Committee, for exploiting the equivalence of qualifications obtained abroad (paragraph 1 art. 3). The functions of secretary may also be provided by a member of the Committee. In the first meeting, the Committee will appoint the Chair and the secretary. The Committee may carry out the

evaluation procedure with the aid of videoconference tools. The Committee shall conclude the selection procedure within sixty days after the deadline for submitting applications, except cases of motivated impossibility.

Art. 7 - Selection procedure and Ranking

The Committee will select the applicant by evaluation of the applications and by interview. The Committee can assign a total of 100 points to the applicants, by examining the qualifications presented by the candidates and the interview, supported by the rules established by the committee, to assess the candidate's aptitude for research, according to the following criteria:

- Evaluation of professional CV; points 70;
- Interview to ascertain the candidate's aptitude; points 30.

In order to pursue the expected objectives of the PNRR in terms of the effective achievement of gender equality, the committee will take into account periods of inactivity or abstention from work due to maternity or parental leave when assessing the CV.

All candidates will receive a communication informing them whether they are admitted to the interview or not.

Candidates who have obtained a minimum score of not less than 30/70 in the examination of qualifications are admitted to the interview. The interview will be considered successful if the candidate has obtained a minimum score of no less than 20/30. The Commission shall preliminary adopt the criteria and parameters it intends to follow, with specific reference to the characteristics of the research project. These criteria and parameters include the requisites required for the type put forward for the competition, such as the possession of a university degree, PhD, specialization diplomas and certificates of attendance at post-graduate specialization courses, obtained in Italy and abroad, as well as the performance of research activities at public or private research bodies and institutions, with contracts, scholarships or collaborative assignments, both in Italy and abroad, declared in accordance with the procedures set out in Article 4.

Those who have submitted their application to take part in the selection within the terms and according to the procedures set forth in Articles 3 and 4, and who have not received a communication, via PEC or e-mail message, of exclusion from the selection, are obliged to present themselves electronically on **31/05/2024 at 10:00 a.m.**, to attend the online interview, unless otherwise indicated, which will be communicated by registered letter, telegram or e-mail message with suitable advance notice.

The publication of the present call is meant as to be the official convocation. An official notice will be sent to candidates that will not qualify for the interview, due to missing fulfillment of the

requirements. Interviews will be carried out remotely; detailed instructions will be provided to the selected applicants by e-mail. All the communications and the interviews will be held in English.

To be eligible for the interview, the applicants must present a valid identity document.

The Applicants who are not present/available at the scheduled day and time of their interview will be declared ineligible. At the end of the selection procedure the Committee will publish the final results and ranking and will appoint the selected applicant. If two applicants have the same score, the younger applicant will be preferred. Final results, approved by the Director of the Institute, will be published on the CNR website: www.urp.cnr.it. If the selected applicant renounces the position, the Director of the Institute – with the agreement of the project supervisor - can appoint another applicant, following the score order.

The National Research Council will not reimburse any expenses incurred by candidates for participation in the selection process.

Art. 8 - Contract

Within 15 days after the publication of the final results, the Director of the Institute should submit to the appointed applicant, the fellowship award order with the starting date of the research program. Within 15 days after receiving this communication, the selected applicant has to send back a signed copy of the aforementioned communication for acceptance.

Any delay in the beginning of the research program can be justified only in cases accounted for in art. 2 of this announcement or for reasons of force majeure proved in due manner.

The selected applicant shall submit to the Director, within thirty days from the date of acceptance of the grant, the following documents (Italian Law 445/2000):

- a) self-certification indicating date and place of birth, citizenship, possess of political rights, education;
- b) a declaration in lieu of affidavit, on ordinary paper, of not having been dismissed or retired from the Public Administration for persistent poor performance, and not having been revoked by another state employment for having achieved it through the production of false or invalid documents and that she/he was not disqualified from holding public office on the basis of *res judicata*;
- c) copy of fiscal code card (codice fiscale);
- d) In case the winner is an employee of Public Administration, before beginning the research activity she/he must submit a copy of the order of placement on leave without pay.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State. The fellow who, after starting the planned activity, will interrupt it without justification, or will not carry it on regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally,

proves not to have sufficient attitude, may be revoked, with motivated decision of the Director of the Institute, from the further reception of the payment of the grant. The measure referred to in the preceding paragraph will be taken by proposal of the Research Project Manager. If the grantee, on the grounds of personal reasons, cannot carry through the planned activities and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Research Project Manager. In this case, the grantee must return any amounts received and not due.

Art. 9 - Evaluation of the research activity

The research project manager and the grantee shall forward to the Director of the Institute before the end of the contract, a complete report showing the progress of research.

Art. 10 - Privacy policy

Under Art. 13 of Legislative Decree n. 196, June 30, 2003, the personal information provided by applicants will be collected at the Institute for the purpose of organizing the selection and will be processed in a database for the aim of the selection. The acts must be retained for a period of at least five years. Providing such data to CNR is compulsory for the evaluation process and those who will not provide such data will be excluded from the selection. The same data may be disclosed only to Public Administrations directly involved in the selection process or in the grant contract.

The applicant has the rights provided by the Art. 7 of the aforementioned decree, which include the right of access her/his data and the right to correct, update or delete data that is incorrect, incomplete or not collected in accordance with the law. These rights may be exercised with the Director of the Institute who is also responsible of the data treatment procedure. The right to access the records of selections procedure, under the Law no. 241, August 7, 1990 and subsequent additions and modifications, shall be exercised in the manner provided for in the Art. 10 of the regulation no. 22 of May 18, 2007, as supplemented and amended by order no. 62, November 8, 2007 (available on the web page of the CNR www.cnr.it under "utilities") and with the limitations of the Art. 12 of the same order.

Article 11 - Advertising

The notice of selection shall be made public by the Director of the Institute, by publication on the website of the CNR www.urp.cnr.it.

Article 12 - Additional dispositions

For what not explicitly mentioned in this announcement, the Italian law about public selections and the dispositions of the CNR regulations currently in force shall apply.
