descending order with respect to the final score obtained by each candidate, according to the sum of the scores achieved in the evaluation of qualifications and the interview and indicates the winner(s). In the event of equal ratings, the younger candidate is preferred.

The merit ranking will be approved by the Director of the Institute, and will be published, by the same Director, by posting on the notice board of the examination office, and on the CNR website: www.urp.cnr.it and with the other forms of advertising provided for in this selection notice. All participants in the selection will be informed of the outcome of the selection through communication sent with PEC or regular mail (foreign citizens). For the purposes of the award, the research grant cannot cumulate with scholarships awarded by the CNR or other research bodies and institutions, except those granted by the CNR or national or foreign institutions useful to integrate the research activity of the holders of grants with stays abroad. Holders of research grants can attend research doctorate courses that do not give rise to the payment of scholarships.
