# Terms and conditions

## 1. Prices

Prices are without Value Added Tax (VAT) unless specified.

If the currency exchange rates based on rates published by the Bank of Finland on the date of order differ from offer date's rate by more than  $\pm 2,5\%$ , the offer is not valid. Link to the Bank of

Finland: <https://www.suomenpankki.fi/en/Statistics/exchange-rates/>

## 2. Terms of payment

The full payable amount is to be paid to Greenlux Lighting Solutions account without deducting any banking charges. Both parties are responsible for their own bank costs, the buyer covering the intermediary bank costs.

All late payments shall be charged interest computed on a daily basis from the due date until paid in full. Seller is entitled to receive interest at the rate specified by the Bank of Finland plus reimbursement for costs of debt collection (including reasonable legal fees of Seller and court costs) to collect full payment for Products / Services supplied.

## 3. Acceptance of goods

The customer shall accept delivery within 30 days from notification of shipping readiness. Greenlux Lighting Solutions has the right to invoice the customer according to agreed payment terms once the products have been shipped or delivery shall be deemed accepted, whichever happens earlier. Greenlux Lighting Solutions is not obliged to store the products on behalf of the customer for more than 30 days from this date. Greenlux Lighting Solutions shall have the right to charge a storage fee for products, stored by Greenlux Lighting Solutions longer than 30 days.

If the applied Incoterms is DAP, all the customs duties and taxes shall be borne by the Customer.

If the applied Incoterms is EXW Helsinki, the customer undertakes to insure the products on delivery against any risks that the products may be subjected to or cause. All shipping, insurance, custom duties and taxes shall be borne by the customer. Greenlux Lighting Solutions Ltd will not be deemed liable in connection with any shipment due to customer's selection of a carrier or its failure to obtain insurance

## 4. Warranty terms

Standard 5 years limited warranty for products. Breach of local law, safety regulations and/or installation instructions will void the warranty. Please find full warranty specification at: [www.greenlux.com/warranty](http://www.greenlux.com/warranty).

## 5. VAT

VAT is added to the prices if applicable.

## 6. Installation

Installation of hardware must be conducted by certified personnel according to installation instructions, applicable law and safety regulations.

The customer will pay installation of hardware (fixtures, accessories) and software.

## **7. Confidentiality**

This offer is confidential.

## **8. Language**

Appendix documents such as light plans, installation manuals and certificates are delivered in English language by default. Translations are subject to a separate fee.

## **9. Other**

The customer gives Greenlux Lighting Solutions the right to use the installation as reference in its marketing material unless separately prohibited at the time of order.

Greenlux Lighting Solutions uses best reasonable efforts to maintain quality for performance and uniformity over time for all products. Due to the nature of LED technology and its evolution, some differences may occur over time, across product batches, which may result in slight changes in the spectrum.
