Authorisation Letter

We, Fritsch GmbH • Milling and Sizing, hereby certify that Messrs.

EMME 3 S.r.l.
Galleria Gandhi 2
20017 Mazzo di Rho (MI)
ITALY

are acting as our only business partner in Italy and as our exclusive distributor for the Italian market.

Despite the possibilities to buy FRITSCH products from third parties, Emme 3 is the only distributor that is regularly trained on our instruments since more than 20 years. This means, getting access to the best possible consultation, having experienced contact persons close by and being provided with trained and skilled technical service on site, is only guaranteed by our partner Emme 3.

This certificate is valid until December 31, 2024 and subject to automatic renewal if it is not cancelled by one of the parties in writing with a notification of at least 3 months.

Best regards,

Fritsch GmbH • Milling and Sizing
