ANNOUNCES

Art. 1 Research Project

A public selection procedure, based on qualifications and interview, will be held for 1 (one) “Assegno Professionalizzante” (Graduate Fellowship) for conducting research activities at the Institute for Applied Mathematics and Information Technologies of the CNR “Enrico Magenes”, branch of Genova related to the Scientific Area “Scienze Informatiche e Ingegneria dell’Informazione” (Computer Science and Computer Engineering) in the framework of the STRIVE (FOE 2022) Project, for the following topic: “Methods and models for semantic and multi-scale representation of complex urban environments” under the scientific supervision of Dr. Michela Mortara (hereafter referred to as “the Scientific Supervisor”).

Art. 2

Duration and amount of the Fellowship

The fellowship will run for **one year** and may be extended or renewed in compliance with the pro tempore legislation in force.

The overall duration of the relationships established with the holder of the grant and of the fixed-term employment contracts referred to in art. 24 of Law 240/2010, also intervened with public, private or telematics universities, as well as with the institutions referred to in art. 22, paragraph 1, of Law 240/2010, cannot in any case exceed 12 years, even if not continuously. To this end, the periods of absence due to maternity leave or state of illness are not taken into account, nor periods carried out prior to entry into force of Law 240/2010.

Postponement of the start date of the research activity related to the fellowship, or disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. Any interruption of the activity related to the fellowship that is justified under the foregoing provisions, shall entail the suspension of the payment of the grant instalments for the period in which the interruption itself occurs, except for what is ruled by Art. 13 of the Guidelines, or by other specific regulations. The end date of the grant will be extended by a period equal to the duration of the interruption.

The gross amount of the research grant, after deducting contributions to be paid by the employer, is set at **EUR 19.367,00 (nineteen-thousands-three-hundreds-sixty-seven,00)**, to be paid in deferred monthly instalments.

This amount does not include possible additional remuneration for the travels in Italy or abroad that may be deemed necessary to carry out the research activities related to the grant. The reimbursement of travel expenses is determined in the same measure as for III professional level CNR employees.

The grant recipient is covered by a cumulative insurance policy underwritten by the CNR.

The selected candidate will undertake her/his research activity in an autonomous manner, within the limits of the program prepared by the Scientific Supervisor, without predetermined working hours.

Art. 3

Requirements for admission to the selection

Individuals of all nationality and age may apply for the position, provided they meet the following requirements at the time of the deadline for submission of applications:

- a) Degree (Laurea) in Computer Science, Mathematics, or equivalent, obtained in accordance with the legislation in force before DM 509/1999 or Master’s Degree (D.M. May 5, 2004) in Computer Science (LM -18), Mathematics (LM – 40) or equivalent, as well as a professional curriculum suitable for carrying out research activities;
- b) All qualifications obtained abroad (Master’s Degree, doctorate, and any other qualification) need to be previously recognized in Italy, in accordance with the current legislation (information on the website of the Ministry of University and Scientific Research: www.miur.it.) In the absence of the above formal recognitions, and with the sole scope of the present selection, the equivalence of diplomas obtained abroad will be evaluated, by the Examining Committee constituted according to art. 6 par. 1 of the Guidelines;
- c) Prior experience in topic of art. 1, declared according to procedures of art. 4 is preferential. In particular:
 - Knowledge of the main methods for the representation of geometric shapes;
 - Knowledge of geometric processing methodologies of 3D models;
 - Basic computer graphics skills;

- Knowledge and experience in programming and developing interactive graphic interfaces

d) Good command of English;

e) Adequate command of Italian (only for foreign applicants).

The research grant cannot cumulate with scholarships provided by the CNR or other organizations and research institutions, except for those granted by the CNR or other national or foreign institutions with the aim of supplementing the research activities of grant holders with visiting periods abroad.

The grant is not compatible with the participation in bachelor's, specialist or master's degree courses, research doctorates with scholarships, or medical specializations, in Italy or abroad. The holders of research grants may however attend PhD. courses that do not result in payment of scholarships.

Pursuant to art. 22, paragraph 3, of law no. 240/2010, research grants cannot be held by CNR employees with permanent or fixed-term contracts or by permanent staff employed by the other subjects referred to in art. 22, paragraph 1, of law no. 240/2010 and they involve placement on leave without checks for the contractor / employee serving in public administrations.

Art. 4

Applications and details for submission

APPLICATIONS

Applications are to be exclusively written on the attached form (Annex A).

Applicants must produce a pdf document containing the curriculum in the form of a self-certification, to be completed in accordance with Art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments. To this end they must use the attached form (annex B), by which they testify to the truthfulness of the contents of the Curriculum Vitae, and expressly declare, before the signature, that they are aware that, according to art. 76 of the DPR 445/2000, false declarations are punished according to the Penal Code; the form must be accompanied by a photocopy of a valid identity document (art. 76 DPR 445/2000). Such document, legibly signed, must be presented for identification at the interview (see Art. 7); no other documents will be accepted. In the curriculum the applicant will detail personal facts and qualities; in particular she/he must analytically detail studies, qualifications, publications in print and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activity, providing the exact references for each qualification indicated.

The aforesaid declaration must be analytically drawn up and contain all elements useful to enable the Examining Committee to evaluate the related qualifications. No information provided in a form different from the above-mentioned standard will be evaluated. Self-certification foreseen for Italian citizens apply to EU citizens (Article 3, paragraph 1 of Presidential Decree 28 December 2000, n. 445). Non-EU citizens resident in Italy can use declarations in lieu of affidavits only in cases where facts and qualifications are certifiable or ascertainable by public or private Italian subjects.

The Administration reserves the right to ascertain the truthfulness of the contents of the self-certifications in accordance with Art. 71 DPR 445/2000.

Applications must be sent to Istituto di Matematica Applicata e Tecnologie Informatiche “Enrico Magenes”, only via Certified Electronic Mail (Posta Elettronica Certificata – PEC) to the address: protocollo.imati@pec.cnr.it, by the final deadline of **October 7, 2024**. Applications submitted after the deadline and incomplete applications will not be taken into account.

Enter the following in the e-mail subject field: Notice of Selection NO. IMATI 007 2024 GE (**please do not use special characters**).

The applications sent via PEC and the certifications in accordance with the provisions of DPR 445/2000 will be considered valid only if the author is identified by the system through his own access credentials to the PEC.

Foreign applicants only may send the application and the requested declarations in lieu of affidavit (see comma 5) via ordinary electronic mail to following address concorsi.imati@ge.imati.cnr.it. In case the application cannot be digitally undersigned, and if the foreign candidate is the winner of the selection, the candidate will validate the application by hand-signing it when starting service.

To aforesaid applicants an e-mail acknowledging receipt of the application will be sent.

The applicant's scientific works (e.g. technical reports, monographs, book chapters, and patents) that cannot be found on the internet, or those that can be found on the internet but are not open access, should be sent by the applicant by e-mail.

The applicant must not produce any further documentation, in accordance with art. 15 L. 183/2011.

In accordance with Law 183/2011 (art. 15), public administrations and private managers of public services cannot ask for or accept certifications regarding personal states, qualities and facts. Such certifications must always be replaced by self-certifications or declarations in lieu of affidavit (art. 46 and 47 DPR 445/200).

The Form concerning the information on the processing of personal data (Annex C), provided pursuant to Regulation (EU) no. 2016/679, must be attached to the application; the aforementioned form must be completed, dated and signed by the candidate with a legible handwritten signature.

For foreign citizens, all communications will be sent to the e-mail address used to send the application. The CNR does not assume and shall not be deemed to assume any liability for communications not received due to network malfunction.

Art. 5

Exclusion from the Selection

Applicants are conditionally admitted to the selection.

The exclusion from the selection process for failure to meet the selection requirements can be arranged at any time with a reasoned order by the Director of the Institute. The exclusion will be communicated to the applicant.

Art. 6

Examining Committee

The examining Committee shall be appointed by order of the Director of the Institute. It is composed of three members, one of which will be the Scientific Supervisor, plus two alternate members. The members of the Committee, who may be internal or external to CNR, shall be expert in the field, with a researcher/technologist professional profile. If the Director deems necessary to activate the equivalence procedure for the qualifications obtained abroad (see the last sentence of art. 3 par 1 of the Guidelines) she/he may appoint a University professor as one of the members of the Committee. The functions of secretary may also be provided by a member of the Committee.

In the first meeting, the Committee will appoint its own President, and, if necessary, the member who will perform the functions of secretary.

The Committee may also carry out the procedure by electronic means.

The Committee shall conclude its work within sixty days from the deadline for submitting applications, except cases of justified impossibility.

Art. 7

Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and the interview. For each candidate, the Committee has a total of 100 points, split as follows: 70 points for the assessment of qualifications and 30 points for the assessment of the interview.

Only applicants achieving a grade of 35/70 for the assessment of the qualifications are admitted to the interview. Only applicants achieving a grade of 21/30 pass the interview.

The Committee will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the assessment of the requirements for the type of grant of the selection such as the degree, the Ph.D., the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, the participation in national/European projects and the research activities undertaken in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4 of the Guidelines.

Those candidates who have applied according to the terms and conditions set out in Art. 3 and 4 and who have not received notice of exclusion from the selection, are required to attend the interview that will be held at the

premises of the Istituto di Matematica Applicata e Tecnologie Informatiche “Enrico Magenes” CNR, (Via De Marini 16, 16149 Genova, 14th Floor) on **October 16, 2024 at 11:00 am**, unless otherwise noted or communicated in advance by Certified Electronic Mail (for foreign applicants: by ordinary electronic mail). The publication of this Notice is to be considered as a call; it is deemed as definitive and no further communication will be sent to applicants in this respect. Before the interview, the grade obtained in the assessment of the qualifications will be communicated to each applicant.

The Committee may conduct remote interviews using audio/video computer media according to procedures aimed to ensure its openness. Detailed instructions in this regard will be communicated before the date of interview in a timely manner.

Applicants who fail to show up for the interview will be declared non-eligible.

Following the interview, the Commission will compose the list of the examined applicants, detailing the score each candidate obtained in the interview; this list, signed by the President and the Secretary of the Committee, will be communicated to the candidates on the same day.

At the end of its work, the Committee shall prepare a report, expressing a reasoned judgment on each applicant, albeit in a synthetic form.

The Committee issues the merit ranking, in descending order with respect to the final score, obtained as the sum of the scores achieved in the evaluation of the qualifications and in the interview, and points out the winner/s. In case of equal scores, the younger candidate is preferred.

The merit ranking shall be approved by the Director of the Institute, who will publish it to the notice board of the examination site, and on the CNR website www.urp.cnr.it, as well as with all other forms of dissemination provided for this Notice of Selection.

All candidates will be informed of the result of the selection, by a communication sent via PEC, or, for foreign applicants only, to the e-mail address provided in the application.

The definition, within the merit ranking, of a short list of suitable candidates is not permitted. However, in case one or more winners renounce the grant before its commencement, after consulting the Scientific Supervisor, the Director of the Institute can replace him/her/them following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by the candidates for the participation in the interview.

Art. 8

Formalization of the relationship and termination of the contract

Within 15 days from the publication of the merit ranking list, the Director of the Institute shall have the order of conferment of the research grant, mentioning, among other things, the starting date of the research, delivered, in two copies, to the winner/s of the selection. By the deadline of 15 days from its receipt, the winner/s of the selection must mandatorily, under penalty of forfeiture, return a copy of said order of conferment, countersigned for acceptance, as well as a declaration that she/he/they is/are not under any of the impediments of art. 3, par. 3, 4, 5 and art. 4 par. 2, 3 of the Guidelines. Any delay in the beginning of the research activities can be allowed only in the cases provided for by art. 2 of this Notice of selection, or for duly substantiated reasons of force majeure.

For foreign citizens: the winner shall submit to the Director, via ordinary electronic mail, the following documents, prepared in accordance with the provisions of Presidential Decree DP 445/2000:

- a) a self-certification, stating date and place of birth, citizenship, political rights, education;
- b) a declaration in lieu of affidavit, on unstamped paper, that she/he does not have an employment relationship with any public or private employer, and that she/he has not been dismissed or discharged from the Public Administration for persistent poor performance, and that she/he has not been declared out of office in any other state employment for having obtained it through the production of false or invalid documents, and that she/he was not disqualified from holding public office on the basis of res judicata;
- c) a photocopy of the Italian fiscal code card (codice fiscale);
- d) in case the winner is an employee of a Public Administration, before beginning the research activity she/he must submit a declaration in lieu of affidavit of the placement on unpaid leave.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

With justified decision of the Director of the Institute, the fellow who, after starting the planned activity, interrupts it without justification, or who does not carry it on regularly and continuously for the entire term, or who is responsible for serious or repeated misconduct or, finally, who proves not to have sufficient aptitude, may see all further payments of the grant cancelled. Such measure will be taken on the proposal of the Scientific Supervisor.

If the grant recipient, on the grounds of personal reasons, cannot see the planned activities through completion, and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Scientific Supervisor. It is understood, in this case, that the grant holder must return any amounts received and not due.

Art. 9

Evaluation of the research activity

Before the expiry of the contract, the Scientific Supervisor and the grant recipient shall forward to the Director of the Institute, a complete report laying out the progress of the research activity.

The Director will evaluate the report with a reasoned and unquestionable appraisal. In case of positive evaluation, and at the request of the Scientific Supervisor, the Director will decide on the renewal of the grant and on its possible allocation to the next higher amount of the grant typology referred to in this notice of selection (see art. 9 par. 5 of the Guidelines).

Art. 10

Processing of personal data

The personal data provided by the candidates are processed for the purpose of managing the selection process, including the possible use of rankings and the subsequent possible awarding of the grant, as specified in the information contained in the Annex C form.

The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome as Data Controller, in accordance with Regulation (EU) n. 2016/679 and Legislative Decree DL 196/2003. The contact point at the Data Controller is the Director of the Institute who issued the selection notice, whose contact details are: privacy.imati@imati.cnr.it - GDPR Privacy Owner - Via Ferrata 5 / A - 27100 Pavia.

The provision of data is mandatory for the purpose of assessing the requirements for participation; failure to comply will lead to the exclusion of the applicant from the selection.

The interested party enjoys the rights set forth in articles 15 and subsequent of Regulation (EU) 2016/679, as specified in the information notice contained in the Annex C form, pursuant to art. 4 of this selection notice. Such rights may be exercised in the ways described in the form itself.

Article 11

Advertising

In addition to particular forms of advertising specifically required by the programs funders, the Notice of selection shall be made public by the Director of the Institute, by posting it on the website of the Institute, and of the CNR (www.urp.cnr.it), and by publication on the website of the MIUR, that will later publish it on the website of the European Union.

Article 12

Final Provisions

Where not explicitly specified in this notice, the provisions of the Guidelines, apply, as do, for the compatible parts, the regulations on public competitions currently in force.

- 1) I suoi dati personali verranno trattati per le seguenti finalità: svolgimento della procedura selettiva, compreso l'eventuale utilizzo di graduatorie e per il successivo eventuale conferimento dell'assegno, per l'esecuzione dei compiti di interesse pubblico o comunque connessi all'esercizio dei pubblici poteri affidati al Consiglio Nazionale delle Ricerche. I dati saranno trattati per il tempo necessario alla selezione e, in caso di conferimento dell'assegno, per tutto il periodo in cui intercorre il rapporto instaurato con il titolare dell'assegno e, successivamente alla cessazione, per l'eventuale adempimento di obblighi di legge in conformità alle norme vigenti sulla conservazione degli atti amministrativi.
- 2) I dati verranno trattati in forma digitale ed analogica, con modalità di organizzazione ed elaborazione correlate alle finalità sopra indicate e, comunque, in modo da garantirne la sicurezza e la riservatezza.
- 3) Il conferimento dei dati è obbligatorio per l'espletamento della procedura selettiva; l'eventuale rifiuto di fornire tali dati comporta la mancata possibilità di partecipazione alla procedura stessa.
- 4) Possono venire a conoscenza dei dati in questione, per il conseguimento delle finalità sopra indicate, il Direttore/Dirigente della Struttura che ha emanato l'avviso di selezione, il responsabile del procedimento, il personale incaricato della gestione delle diverse fasi del procedimento, i componenti della commissione esaminatrice e il segretario.
- 5) Il Titolare del trattamento è: il Consiglio Nazionale delle Ricerche – Piazzale Aldo Moro n. 7 – 00185 Roma PEC: protocollo-ammcen@pec.cnr.it, il cui punto di contatto è indicato nell'articolo 10 dell'avviso di selezione, rubricato "Trattamento dei dati personali".
- 6) I dati di contatto del Responsabile della protezione dei dati sono: E-mail: rpdc@cnr.it; PEC: protocollo-ammcen@pec.cnr.it presso il Consiglio Nazionale delle Ricerche – Piazzale Aldo Moro n. 7 – 00185 Roma.
- 7) La graduatoria finale di merito verrà pubblicata con le modalità indicate nell'art. 7 del bando di selezione, rubricato "Modalità di selezione e graduatoria".
- 8) Saranno altresì diffusi sul sito web del CNR nella sezione "Amministrazione Trasparente" ai sensi e per gli effetti dell'art. 15 comma 1, del D. Lgs. n. 33/2013, le seguenti informazioni del candidato vincitore: a) gli estremi dell'atto di conferimento dell'assegno; b) il curriculum vitae presentato dal candidato; c) i compensi, comunque denominati, relativi all'assegno di ricerca.
- 9) Al termine della procedura selettiva, nei limiti pertinenti le finalità sopra indicate, i dati del candidato potranno essere comunicati a soggetti terzi, in conformità agli obblighi previsti da leggi, regolamenti, normativa nazionale e comunitaria, nonché da disposizioni impartite da autorità a ciò legittimate da organi di vigilanza e di controllo, ai sensi dell'art. 6 del Reg. UE 2016/679.
- 10) In qualità di interessato, il candidato ha il diritto di chiedere al Titolare l'accesso ai dati personali che lo riguardano nonché di esercitare i diritti di cui agli articoli 15 e seguenti del Regolamento (UE) 2016/679, tra cui richiedere la rettifica o la cancellazione degli stessi o la limitazione del trattamento o di opporsi al trattamento presentando apposita istanza al contatto di cui al precedente punto 5.
- 11) In qualità di interessato, ricorrendone i presupposti, il candidato può presentare reclamo al Garante per la protezione dei dati personali quale autorità di controllo secondo le procedure previste.
